# THE TOTAL CLEAN ROOM PACKAGE

## BENEFITS

The 200 TSL Single Motor Drive Clean Room Washer/Extractor is specifically designed and engineered for laundries requiring a contamination-free, cleanroom environment. Offering the most efficient and effective protection, the 200 TSL employs a full barrier wall and Braun's unique air-flow system to prevent the possibility of cross-contamination.

## STANDARD FEATURES

- Braun Neutron Suspension to isolate vibration from workplace
- Rugged design and construction – technologically advanced
- Microprocessor controls
- Air-operated, type 316 stainless steel water valves
- Cleanroom air intake
